## MEDICINAL.

It is a great affliction for a woman to have her face disfigured by pimples or any form of eruptive disease. It makes her morbid and sensitive, and robs her of social enjoyment. Disfiguring eruptions are caused by impure blood, and are entirely cured by the great blood-purifying medicine—Dr. Pierce's Golden Medical Discovery. It removes from the blood the poisonous impurities which cause disease. It perfectly and permanently cures scrofulous sores, eczema, tetter, boils, pimples and other eruptive diseases which are caused by the blood's impurity. It increases the action of the blood-making glands and thus increases the supply of pure rich blood.

"For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main Street, Baltimore, Md. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read of one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

The People's Common Sense Medical Adviser, a book containing 1000 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

## THE RESURVEY OF A HISTORIC LINE

When the legislatures of Pennsylvania and Maryland decided not to allow the Mason and Dixon Line to be its markings and to drop out of existence, so far as visible signs of its historic location is concerned, by appropriate means for its resurvey and definite markings, they undertook a work that is proving very difficult and tedious. The surveyors have only proceeded as far as Franklin county, Pa.

Through the forests on the mountain, they were obliged to cut a path eight feet wide in order to make their observations. Here all the crabs and mile stones were found to be in place, unlike the condition in Adams county, where many were displaced, one having been used as a door sill in a dwelling, another in a church and others lying at considerable distances from their original places. An interesting stone is located near Highfield. Long covered by a screen procured by one of the Baltimoreans, it is now in the development of the mountain as a summer resort, it is unusually well preserved, and when reset was sunk into the ground so deep that only the coat-of-arms of the two sides could be seen. About a dozen old markers and crown stones have been found near Hagertown, and will be erected in the line. These had never been put up, and it is thought, and been sent down the river had carried many years ago to the vicinity where they were found to await need for them. Some of these were doing duty in bake ovens and others as door steps. All were recovered, although not without vigorous objections on the part of the people who were using them. The work of resurveying the line is being done very carefully, and the old stone posts set along its course after Charles Mason and Jeremiah Dixon marked it out in 1763—a being reset in cement bases, and new posts are being substituted in place of the old posts have disappeared.

## KING DINES WITH AMERICAN GIRL.

Lady Layland (before marriage Jennie Chamberlain, of Cleveland, Ohio) has at last accomplished an object she has been aiming at ever since the King came to the throne. Last Monday his Majesty dined with her at her beautiful home, Hyde Park House.

The whole house was in gala array and beautifully decorated with flowers in profusion, chiefly lilacs of all shades.

In the dining room every article of china and glass used formerly belonged to the great Napoleon and bore the French Imperial crown and cipher. It all came from the Tuilleries and from Versailles. The magnificent gold plate, which, next that belonging to the King himself, is the most beautiful in England, was also in use.

The table was lighted by three tall gold candelabras, with branches springing from clustering cupids, which form the base, and were partially wreathed with green smilax and white orchids, which fell down in trails to the low gold bowls filled with liberty bells, Alexandria orchids and catapenas orchids.

Lady-Naylor-Layland looked her best in white and silk, with her diamond billy quivering at her breast and diamonds in her hair.

The King, who arrived punctually, attended by Sidney Greville, was announced as Earl of Chester. Those invited to meet him were the Duke and Duchess of Devonshire, Mrs. Geo. Keppel, Captain and Mrs. Ronald Greville, Countess, Duchess of Marlborough, Countess Howe, the Earl of Clarendon, the Portuguese Minister, M. de Souza, and several others.

Headless Woman.—The negroes near Clark Creek bridge, Ind., are much disturbed over a ghost. The apparition is said to be in the form of a headless woman, clothed in white, with the exception of a black veil thrown over her neck. The figure is tall and slender, and often when farmers are driving along the roadway the apparition is seen gliding along. Some assert that moaning words are heard, "My head is gone. My head is gone," while the hands are wrung in anguish. Several times the figure has been shot at, and stones and clubs and other missiles have been thrown, but with no effect. Some of the older people assert that forty years ago a girl was murdered on the eve of her marriage by her father, and every thirteen or fifteen years the apparition returns to haunt the bridge which was the scene of her tragic death. The ghost has never been seen except between the hours of 10 and 1 o'clock on bright moonlight nights. The colored people are too frightened to attend church services after night-fall.

THERE IS ONE RATIONAL WAY to treat nasal catarrh; the medicine is applied direct to the affected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissue to a healthy state without drying all the life out of them and it gives back the lost sense of taste and smell. The sufferer who is tired of vain experiences should use Ely's Cream Balm. Druggists sell it for 50 cents. Ely Brothers, 55 Warren Street, New York.

## MEDICINAL.

## BUFFALO LITHIA WATER

The Great Solvent and

Eliminator

of URIC ACID

and other POISONS

Its similarity to the Blood Serum

in Composition Accounts for the

"Peculiar Efficacy" of this

Water in Uric Acid Diathesis,

Gout, Rheumatism, Bright's

Disease, etc.

The Water is Far Superior to the Lithia Tablets

John V. Shoemaker, M. D., LL. D., Professor of Materia Medica and Therapeutics in the Medical-Chirurgical College of Philadelphia, in the New York Medical Journal, July 22, 1899. "An additional advantage and extremely important reason for the BUFFALO LITHIA WATER lies in the fact that its composition approximates that of the SERUM of the BLOOD; therefore it is admirably fitted for absorption into the blood current and immediate INCORPORATION with the watery portion of the NUTRIENT FLUID. It becomes at once identical with the BLOOD SERUM. These are qualities which far surpass those possessed by any extemporaneous solution of a single chemical preparation, as when a LITHIA TABLET, e. g., is dissolved in water for immediate administration. When we speak of a dose, it is of a quantity altogether relative, and what the physician emphasizes in a dose is THERAPEUTIC EFFICIENCY. THIS WE HAVE IN BUFFALO LITHIA WATER. BY SWEEPING URIC ACID RAPIDLY OUT OF THE SYSTEM it alleviates the miseries of gout. It is efficacious in RHEUMATISM, BRIGHT'S DISEASE, DIABETES, MELLITUS and a number of NERVOUS AFFECTIONS.

"Unquestionably, although the speedy removal of URIC ACID and other products of faulty tissue change is of conspicuous benefit, yet to prevent their formation is a service still more important. This service is performed by the BUFFALO LITHIA WATER when it corrects those digestive failures which are responsible for the production of deleterious materials."

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally. Testimonials which defy all imitation or questions sent to any address.

Practically Starving. "After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach.
